

Have You Taken the Mandatory Continuing Education Courses?

The NJ HIAC may be auditing license renewals!

The NJ Home Inspector Advisory Committee (NJ HIAC) may be auditing all licensees this year to ensure that the continuing education requirements have been met. Starting this year, all licensees are now required to take two mandatory courses; one four hour report writing class (4 credits) and one four hour combined law and ethics class (4 credits). These classes are part of the 40 hours of continuing education required during the biennial period beginning May 1, 2023 and ending April 30, 2025.
